A CALL TO YOUTH

Have you ever thought about it ? What you are doing now ? Is it really what you like ?

The thing is these are not questions. Just ask yourself.

Where in this world work is not difficult ? Just being born is hard. In this complex world, there is nothing left but to create fun by yourself... you also have to create yourself. No one gives an interesting life for free.

What you see isn't everything. You have to change your vibe , your personality according to the changing world. If you don't change now, the future will not change only by being honest, good – you can't win.

Life is like a race. You never know who is going to win until it's over. There is no such thing as smooth path in life. Don't give up until you exhaust all possibilities. You're the one who will make your own destiny.

Be stubborn that's the privilege of youth.

Come on, what is life without a little risk ?

To the young ones – go ahead, explore your passion and if things not turn out to the way you want or hope them to, that's okay, you are still young.

People always makes mistakes that's how we learn. Life is unfair and that's a fact, but it's up to you to give yourself a fair chance to succeed.

Keep fighting.

Good luck.

Your eyes will be captive by the beauty of CREATIVE,
Your soul shall behave native while entering the rustic!

Here people and pupil, all are innovative!!

This is my college, in my knowledge, holding lots of
memories and gossips,
When comes the right time, it drags and pulls towards
placement and internships!

Bitter to digest the test, assignment, exam &
presentation,
Sweet to reveal, these are the steps of the best human
preparation!!

Team of teachers, round of friends,
Among the merrymaking staffs, our mid day ends!
Echoes of the rooms and ringing of the bells, Whether
chili sunshine or wet soil smells!!

Along the director cum principal and Bobbin sir being
the heart,

Dress code is like lining white shirt and glazing black
pant!

Always on limelight, always at first,
CREATIVE is the hero, we're his hats!!
