INTERNSHIP BY BBA FINAL YEAR:

ARTIFICIAL INTELLIGENCE

Adding Inventory silent,
We feed it at every moment.

Allowing Instruction,
we're chums,
Sucking our brains through
our thumbs,

Ample Ingredients summing,
Electrobiological becoming,
Already Implemented,
In our image but
not regulated.

Artificial Intelligence,
Eliminate negligence.

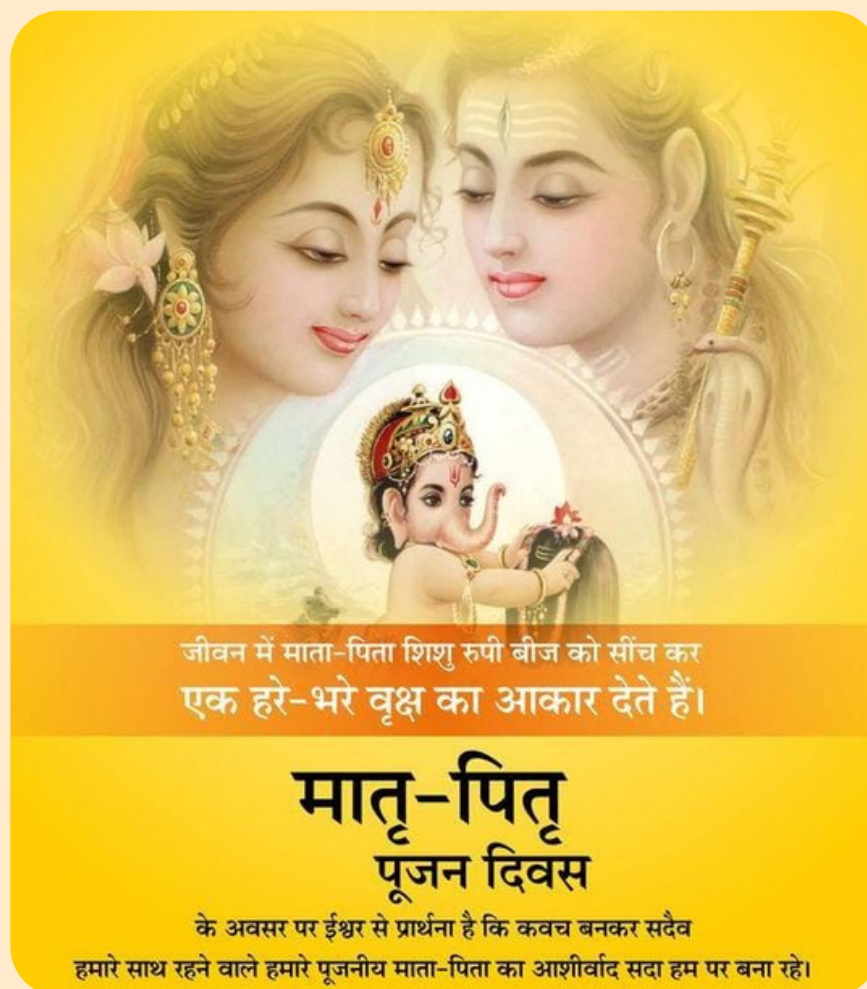

Humanity's rouge pet,
Careful what you feed it,
or it will bite you bet.

Nensi Biswal
BBA 4th sem

HABITS

You cannot change your
future, but you can change
your habits, and surely
your habits will change
your future.....
